Jokes

Accept that some days you are the pigeon and some days the statue. Never argue with an idiot. They drag you down to their level, then beat you with experience.

A FEW ADDITIONAL THOUGHTS !

CHILDREN: You spend the first 2 years of their life teaching them to walk and talk. Then you spend the next 16 telling them to sit down and shut-up.

A doctor of psychology was doing his normal morning rounds, and he entered a patient's room to find his patient sitting on the floor, sawing at a piece of wood with the side of his hand. Meanwhile, another patient was in the room, hanging from the ceiling by his feet. The doctor asked his patient what he was doing, sitting on the floor. The patient replied in an irritated fashion, "Can't you see I'm sawing this piece of wood in half?" The doctor inquired, "And what is the fellow hanging from the ceiling doing?" "Oh. He's my friend, but he's a little crazy. He thinks he's a light bulb." The doctor asks, "If he's your friend, don't you think you should get him down from there before he hurts himself?" "What? And work in the dark?"

n LIEFDEVOLLE MA

Al sou ek die mooiste huis hê en die smaaklikste etes vir my huismense voorberei, maar ek doen dit nie met liefde nie, dan is ek so waardeloos soos 'n leë kastrol of 'n stukkende eierklitser.

Al is ek die besigste Ma op die beheerraad en ek koop vir my kinders die duurste sporttoerusting, maar ek het nie die tyd om hulle langs die sportveld aan te spoor nie, dan sal dit my niks baat nie.

Al koop ek 'n kamer vol opvoedkundige speelgoed en betaal ek sakke vol geld vir ekstra klasse, maar ek self sit nie by my kinders en speel of worstel met die skoolwerk nie, dan is ek nog nie 'n ware moeder nie.

'n Liefdevolle ma is geduldig - sy tel maar die klere en speelgoed op. 'n Liefdevolle ma is lankmoedig en vriendelik - sy laai haar motortjie vol kletsende, swetende skoolkinders.

Sy vergelyk nie haar kinders met ander nie en sy is nie verwaand oor hulle prestasies nie. Sy bedek alle skrape met liefde en pleister en glo in haar kinders, hoop net beste en verdra al die klaery en kritiek.

'n Opregte drukkie en intieme gesprek bly lank in 'n kinderhart, maar gestrykte wasgoed word weer vuil en 'n netjiese huis word weer deurmekaar en vol stof

Eendag as die Volmaakte gekom het, sal jou huis en sy binnekant tot niet gaan, maar die lewende siele van jou kinders sal ondersoek word. Toe ek nog 'n jongmeisie was, was ek gesteld op my mooi voorkoms en aardse besittings, maar nou dat ek 'n Ma geword het, het my kinders se versorging vir my belangriker geword.

Nou kyk ons nog vas teen opstandige tienergesigte, maar eendag, as hulle groot geword het, sal ons die vrugte maai van die liefde wat ons kleintyd gesaai het.

En nou bly AANDAG, GEDULD en LIEFDE, hierdie DRIE, Maar die waardevolste hiervan is 'n liefdevolle MA.
